Welcome to the serene sanctuary of Dr. Moopen's Nursing College, nestled in the heart of a hill station where nature's beauty and tranquility create an inspiring, resort-like atmosphere. Originally established in 2014 as DM WIMS Nursing College, we were renamed in 2022 to honor our visionary founder, Padma Shri Dr. Azad Moopen. In recognition of our commitment to excellence, we recently earned an A Grade under the Kerala University of Health Sciences Quality Assurance Standards (QAS) and secured the top position in the Kerala Institutional Ranking Framework, awarded by the Department of Higher Education and KHEC.

The bond we share with our alumni continues to grow stronger with each passing year. Since the graduation of our inaugural class in 2018, our alumni community has flourished. In 2019, a dedicated group of graduates formed the Alumni Association, which was officially registered in 2022. We warmly invite all alumni to reconnect with their alma mater, catch up with friends, share their achievements, and enjoy the peace and natural beauty of our campus. Join us in celebrating the legacy of Dr. Moopen's Nursing College—where every visit is a reunion of shared memories.

Our Alumni Newsletter serves as a vital platform for sharing college events and alumni updates, keeping our cherished graduates informed and connected. As the premier nature-friendly campus in the state, we extend a heartfelt invitation to all alumni to visit, reminisce, and create new memories whenever possible
